GEMS CAMP 2009!

What is Gems Camp?

Gems Camp is a two night retreat for incoming Gemstone students. It is designed for students to meet one another and learn about the Gemstone program. Students will participate in a variety of teambuilding, bonding, and service activities. Friendships and memories formed at Gems Camp are invaluable to our new students.

When is Gems Camp?

Campers will move in on Tuesday, August 25 (the week before school starts). Gems Camp will begin Wednesday morning and will last overnight until Thursday afternoon.
